WASHINGTON, D. C., SATURDAY, SEPTEMBER 2, 1916-EIGHTEEN PAGES.

PRESIDENT FIRMLY AT NOTIFICATION Conditions in West Are Pleas- Whenever Funds Are Available

Formally Accepts Renomination at Shadow Lawn, Recounting Party Record.

SAYS U. S. LEAD IN

LAY D DRAMA

Republican Not the Party to Meet

the New Conditions. He Says.

ple Than Property Rights-Tells of European Negotiations.

ally accepted his renomination the advisory committee the west has been insistently clamoring. here this afternoon, with an ad- Reports coming from the western dress recounting the legislative record of the democratic party, a vigorous defense of his Mexican policy, his dealings with the European belligerents and an outline ropean belligerents and an outline of his views of America's obliga-

tions for the future.

With the members of the notification committee, headed by Senator James, who delivered the notification address, grouped about him at Shadow Lawn, the summer White House, the President declared the republican party was "just the party that cannot meet the new conditions of a new age," and that the day of little Americanism when "methods"

No single bureau of the republican say yet fully or ganized and at work. The republican street and the other is bounded by New Hampshire avenue and Taylor and 7th streets. Both will be provided with ornamental trees and shrubberies, convenient walks and rustic benches and inclosed in concrete copings. The Upublicans find that, in the western states, the campaign is not to be so much a contest between Wilson and Hughes as a comparison between republican and democratic politics and platforms.

Careful observers in the western country find that in the vast body of the independent vote, especially among the progressives, with their ideals, there is not such a wide margin of choice as between President Wilson and Mr. Hughes, or, at any rate, the voters beries as a background and made active to the content of the republican and democratic politics and platforms.

Similar treatment is being given to the small reservation at the intersection of North Carolina avenue and A street and the other is bounded by New Hampshire avenue and Taylor and 7th streets. Both will be provided with ornamental trees and shrubberies, convenient walks and rustic benches and inclosed in concrete copings. The Up-shruber beds at the north and south shruber beds at the north and shrubberies and platforms.

trade commission.

"What other party has understood the task so well or executed it so intelligentry and energetically?" he asked. "What other party has attempted it at all? The republican leaders apparently know of no means of assisting business but protection. How to stimulate it and put it upon a new footing of energy and enterprise they have not suggested."

At the conclusion of his review of the party record the President declared:

"This extraordinary recital must sound like a platform, a list of sanguine promises; but it is not. It is a record of promises made four years ago and now actually redeemed in constructive legislation." Then, later, he said: "We have have full confidence in his judkment. The not suggested in four years come very near to carrying out the platform of the progressive party as well as our own; for we are also progressives."

The President's address was some 5,000 words long, one of the most lengthy he has delivered on any occasion since taking office. The President's speech follows:

The President's Commission of the most lengthy he has delivered on any occasion since taking office. The President's speech follows:
